"Information"

Edition

LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

New Caracol web site

www.caracolassn.com

It contains much of the information that was available on the previous web site. We have tried to simplify and organize the content for easy access.

The home page is an announcement board that will be persistent, insuring the information will be available for the residents perusal as long as the

message content is current. Anyone that has an announcement that is of interest to the Caracol Residents can be posted there. Please send the information you would like posted to Dave Jaksha, (djaksha@me.com) or click on the Contact Me button at the bottom of any page. Important phone numbers such as Rescate and Firefighters are also listed on the home page. A new forum is hosted by Muut.com. To start or add to the discussion you must register with Muut.com. Its easy, fully encrypted, and no information is ever shared. A simplified Dues page allows you to pay your dues and road donations using Paypal. We can now accept US checks.

iPhone or iPad access will reduce the page complexity for small screens.

In the future, a web cam will allow you to observe the weather and activities.

So, take a look and let us know what you think. Suggestions welcome. But, remember that the web site is for the Caracol residents and not for general information about San Carlos.
