LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

The Other Side of the Coin

In past newsletters, we have written about the Caracol infrastructure. We have shown how you and your association have worked hard for the Caracol. The roads are improving, the water system keeps water pumping to our homes, the gates provide security, the lights have been repaired and the clean up committee did a wonderful job of getting rid of years of trash. This month, we want to investigate the social and recreational side of our little bit of paradise.

Many people on the hill are retired or plan to retire soon. There is so much to do, and many people to meet. Let's use the power of the internet to bring us together doing activities that we all might enjoy.

Pat Jaksha and Mary Reed have two ideas for October to get us started. The first activity is a 'Meet Up'. It is easy. No real planning. Bring your own pesos for a sunset drink and snack. Show up at the time and place and get to know each other. Our first 'Meet Up' is at the Soggy Peso on Thursday October 23rd. Sunset is at 5:45 PM. If we plan on getting there around 5:00 PM, we should have plenty of

time to enjoy each other's company. The water will be warm, the margaritas will be cold!

Mary Reed has agreed to set up the next one: Interested in going diving or snorkeling and meeting new friends? Some folks from the Caracol and SC community would like to go to San Pedro Island on the dive boat Ocean Spirit, mid to late October. If that sounds like fun to you, email Mary at mreed1951@yahoo.com. Once we see how many would like to join us, plans will be made for a great time!

Here is where you come in. What do you enjoy? How about playing cards? Feel free to send Pat Jaksha other ideas at patcaracol@gmail.com. Hopefully you can fill the inbox as September progresses. Let's light up our calendars with new friends and fun!
