Money money money..... 2015

This month's newsletter is all about money. If you are trying to pay your Caracol dues with a US check, you will be in for a surprise! New US regulations prevent CIBanco from accepting checks less than 500 dollars. They will accept US checks in an amount from \$500 to \$10,000. Canadian and Mexican checks are accepted without problem. So, how can you get around this problem? Here are some suggestions.

- 1) If you pay your Caracol dues and make a contribution or include the "Easy Rider" donation you will exceed the minimum payment.
- 2) Head for the ATM machine and pay the dues in pesos. The treasurer just loves the smell of pesos!
- 3) If you use Paypal, go to the dues tab in the caracolassn.com web site and select either dollars or pesos, include your lot number and you're done.
- 4) Many people don't know it, but you can also use a credit card to pay your dues under the Paypal tab. Select either dollars or pesos, include your lot number. Then, instead of using PayPal, select credit card as the method of payment.

For any questions about Dues, contributions or "Easy Rider" give Debra Geisler, our fair treasurer, a call at 226-1756 or check out the dues section of the caracolassn.com site.
