LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

Even better..... 2015

Goodbye to 2014. We hope that your year was productive, and full of good times and good health. Welcome to 2015....So begins another year on the Caracol. It is time to reflect on what was accomplished last year, and what needs to be replaced or repaired this year.

We made good progress last year upgrading and replacing some of the infrastructure on the hill. From the pumps, pipes, electrical, cobbles, new pavers, and street lights, a lot was accomplished with a small amount of money and the hard work of many of the Caracol residents.

Just imagine what the Caracol would be like if none the infrastructure were kept in operation. Much more needs to be accomplished during the coming year and beyond. Your dues and donations make it possible to hire contractors and buy materials for all these projects. We need everyone to contribute. Paying your dues goes a long way towards keeping the work moving forward. Currently, only portion of the residents pay their Caracol Association dues. If you can't pay dues, consider donating something to help. We need people to help with implementing the Caracol improvements. This means volunteers! Considering joining one of the many committees that help steer the direction in which Caracol Association moves. You can help decide what the Caracol Association works on this year by attending the board meetings and the Annual meeting. Check out the Caracolassn.com web page for these and other important dates. There is a board meeting Jan 15th, Neighborhood Social, January 17, at Jerry & Flo Lebo's house #402 and the Annual General Assembly meeting Feb 3rd. We will be sending out email with more information on these meetings. Also included will be a proxy voting form if you are out of town or can't make the General Assembly meeting.
