A note from the new treasurer, Karen Searson. This is a reminder for 2016 Caracol membership dues, payable as of January 1st. Membership dues were increased at the Annual meeting on February 4, 2016. They are now \$400USD (\$7,200 Pesos) for a home, and \$100USD (\$1,800 Pesos) for a lot. Dues had not been increased since 2007. Our community has come together and through dues and substantial fundraising, has accomplished a lot in the last few years. We count on your help to continue our work. Home sales have increased on the Caracol because it has become a place where people want to live. We encourage you to visit the web page and to read the monthly newsletters as they are up to date information on all things Caracol. These things happen because we have talented Caracol residents, and we always encourage new volunteers. Due to US banking laws, US checks under \$500 cannot be deposited in Mexican banks. Therefore, we can accept US cash, Canadian checks (now 520.00CAD), peso checks for 7,200 pesos or peso cash for the same. Dues can be given to any of the board members. Also, PayPal links are available on the website.
