LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

You can't get there from here.....

The street sign project is coming slowly but surely. Cesar Leyva, Mario Lopez and Tom Reed recently worked 4 full days. There are 3 installed, 4 more cast and ready to install. 6 more have recently been cast and are curing in their forms. This is a very exacting and time consuming process. There will be 18 signs in all when completed. Once they are installed, volunteer painters will be on board to put on the finishing touches. Many individuals were involved with

the street sign project. We especially need to thank Tom Reed for all of the hard work he has put into designing, fabricating and continuously pushing the project towards completion. Tom's work is an example of the many Caracol residents that devote untold amounts of their time to make the hill a safer and beautiful place to live.

This is a perfect example of your dues and maintenance fees at work! The Caracol HOA recently provided a 3 phase makeover of the landscaping. The final phase was cutting of the weeds and high grasses, including the raking and hauling away of the resulting debris. It looks great!

It's not too late to send your dues or pay the maintenance fees for 2021. Please go to the caracolassn.com web site under the dues tab and help support your community.

Watch caracolassn.com web site for additional information.
