# LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

**Nov 5th Dia de los Muertos welcome back party!** Pick up tickets ahead of time. \$400 mxp per person includes food, water, beer, music and face painter. Call Christine or email [caracolevents@gmail.com](mailto:caracolevents@gmail.com) to reserve your tickets.

Big thank you to the community for embracing and supporting our new security team. We know the transition has had its challenges and we appreciate your participation, feedback, patience and assistance in making this work. The security team works hard and tries their very best for all of us. Put yourself in their shoes and please be kind. There's NO room for anyone to be nasty or disrespectful.

We get lots of questions but one of the main questions is "how are my workers, gardeners, cleaning person, nurses, etc. able to enter the Caracol without having to call me for entrance approval?". Anyone that works for you on a regular and recurring basis will be issued a tag by security for ease of entry SO you don't need to call security every time your worker comes up to the Caracol.

1. Home owner is current on dues and registered. If you are not current on dues, please approve your worker regardless so they are approved to enter. However they will have to stop and check in upon arrival.
2. Register your worker. Homeowner please Email maintenance form with your workers information to [Seguridadoficiacp@gmail.com](mailto:Seguridadoficiacp@gmail.com)
3. Please allow a few days for the tag to be printed, laminated and ready for your worker to pick up.
4. Recurring workers are required to have that tag every time upon arrival.

Some of you have already submitted your worker information and workers have not received tags. Please direct workers to security and ask for tags. Security has a bunch of tags that have not been collected yet. All forms can be found on [caracolassn.com](http://caracolassn.com) under the security tab.
