## LOS COLORES DEL CARACOL

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

### Enjoy your Easy Rider roads.....

I hope everyone had a great summer and you are ready for the cooler weather to come. Here is an update from the Road Maintenance committee. Earlier in the year we hired a contractor, Plácido Llanos to manage the road repairs as needed. Over the summer [Placido completed paving the section down from the guard house to 6Six store, which was completely funded by contributions from 3 residents.](#) HOA has paid Placido to repair several [additional](#) areas, including the entrance road, of loose pebble stone and/or pavers as well as replace damaged manhole covers. Right now the streets of the Caracol are in pretty good shape. However, if you see any area that needs repair, please inform me as soon as possible. It only takes a couple of loose pavers for the domino effect to loosen several more surrounding pavers.

Currently, we are in the process of raising funds to install two lanes of pavers on the beach road [from lot #600 to lot #612.](#) Residents along the road are funding the majority of the project but we are looking for contributions to complete the funding [so that the project can begin.](#) [Road paving has been community effort throughout the Caracol.](#)

If you are interested in contributing the Association can take any type of cash, transfers between Mexican banks, Mexican checks and payments on the website [www.caracolassn.com](http://www.caracolassn.com) through PAYPAL. US checks are not accepted [at this time.](#) The following is the information to make a bank transfer from a Mexican bank:
