LOS COLORES DEL CARACOL

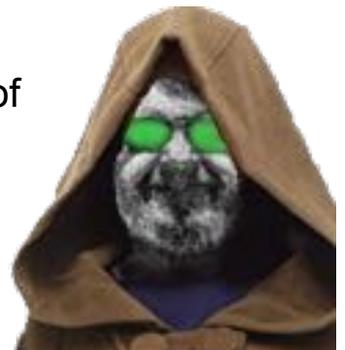

LOS RESIDENTES DE LA PENÍNSULA CARACOL, A.C.

Well, I got news for you.....

In the old “Star Trek”, Capt’n Kirk lands on a planet controlled by an entity called Landru. To be truly happy, you must be of the body....

As I understand, there are still some residents that are not of the WhatsApp body. If you want to keep up to date as to the current happening on the hill, you need to be connected..Its easy and fun, and you will be able to keep up to date on whats happening on the Caracol.

- 1) Download the WhatsApp software for your Apple or Android phone.
- 2) Run the app and follow the directions to join WhatsApp. You must be a WhatsApp member to join the Caracol Group. It cost nothing.
- 3) Use WhatsApp to send a message to either Victoria Lopez (+1 (310) 283-1336) or Dave Jaksha (+1 (520) 400-8896) to be added to the Caracol group. Please include your name and lot number. We will set you up, and the Caracol Peninsula group will show up on your contacts list. You can read and publish comments to the group, so you know whats happening, even if you are out of town. Just remember that the Caracol Peninsula group is for topics related to the hill and residents. I would suggest reviewing previous comments to get a feel for whats allowed. I look forward to everyone joining.

Monthly Caracol Newsletter

Hello Neighbors!!

Security Registration - Everyone, please complete your security registration, [Security forms](#). I know a lot of people are still out of town, however it's best to return it now so when they arrive they can show ID and pick up tags at the guard office. Returned registration forms along with the maintenance and visitor forms could take up to a week to be recorded and disseminated to the security guards.

Recurring Maintenance Workers - For ease of entrance for the approved recurring maintenance workers we have created a special pass for them. The pass is issued per approved worker and will not allow for an approved worker to bring a car full of unapproved workers for auto entry. Each non approved person in the vehicle will be registered prior to entry. Resident registration must be completed and returned along with being a current paid member for your approved worker to be issued a pass. Please reach out to treasurercaracol@gmail.com for direction on paying dues.

We have lots of construction projects happening and we need those jobs and workers registered asap. Considering what happened last week (see the Caracol Peninsula WhatsApp group) it is imperative this information is collected for our community's safety.

Starting Sept 16th Security will stop and register each guest entering without a car tag or pass.

Please visit website www.caracolassn.com and go to the security detail tab for information. All registrations can be emailed to secretarycaracol@gmail.com

The Security team has been great working through the challenges of entering into a new community and all with positive attitude's. We have noticed a reduction in random street traffic and a much more peaceful beach road.

Welcome back party is scheduled for November 5th. Marcela / America / Patricia and Laura will be organizing. Details to come in October newsletter.

Saludos!!

Team Caracol
